From Boston, Colorado, Louisville, Wisconsin. You couldn't expect anything but a tough chicken fed on oats and milk from the farm. The Scottish Chicken.

A week ago Saturday a post-natural Scotchman bought a milk, and one of those milked chickens was sent to his home. He happened to get one that was not very tender. Although we try to get the best chickens money can buy, once in a while you will get soiled. Last Saturday he came in and certainly told it to me. He said it wasn't the milk from the cow, the chicken was fed on, but the cow's milk, and it came from Braintree. You couldn't expect anything but a tough chicken fed on oats and milk from the farm. Saturday there will be no braunton got milked chickens, but chickens from Boston, Colorado, Louisville, Wisconsin. See our windows. Today, 60 and 52 James street west.
